Onslaught Systems User Manual

LOGIN

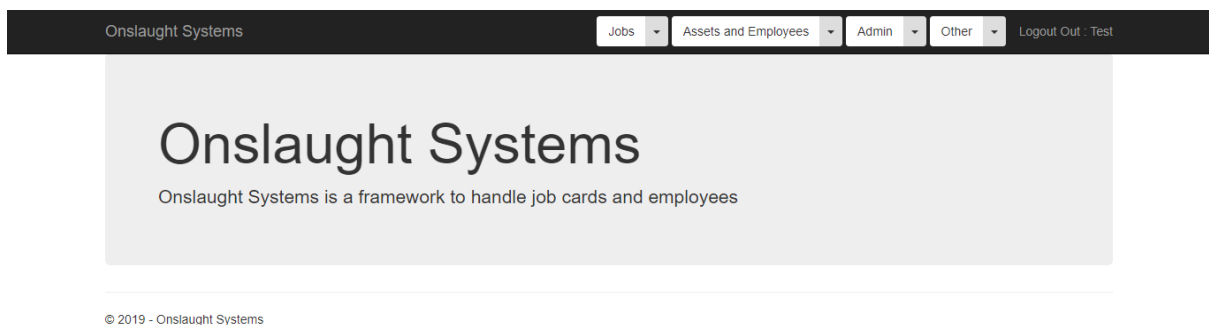

The screenshot shows the login interface of the Onslaught Systems application. At the top, a dark navigation bar contains the text 'Onslaught Systems' and 'Login'. Below this, a light gray box displays the 'Onslaught Systems' logo and the tagline 'Onslaught Systems is a framework to handle job cards and employees'. The main login area features a 'Login' link with a question mark icon, followed by 'Username' and 'Password' labels. The 'Username' field contains the text 'Test', and the 'Password' field is masked with four dots. At the bottom of the form are two buttons: 'Login' and 'Reset'.

Here you will find the login page...

Your login credentials will be provided by the company.

Fill in the required fields and press the 'Login' button.

HOME SCREEN

The screenshot displays the home screen of the Onslaught Systems application. A dark navigation bar at the top includes the 'Onslaught Systems' logo on the left and a series of navigation elements on the right: four dropdown menus labeled 'Jobs', 'Assets and Employees', 'Admin', and 'Other', followed by a 'Logout Out : Test' link. Below the navigation bar, a light gray box features the 'Onslaught Systems' logo and the tagline 'Onslaught Systems is a framework to handle job cards and employees'. At the bottom of the page, a small copyright notice reads '© 2019 - Onslaught Systems'.

Once you are logged on you will be directed here, to the Home page.

From here you can navigate to any and all pages of the site available to you as well as log out.

The drop-down menus are always displayed to make navigation simpler.

Onslaught Systems User Manual

JOBS

The screenshot shows the 'Jobs' management interface. A callout box highlights the 'Jobs' dropdown menu in the top navigation bar, which contains 'Manage Jobs' and 'Manage Job Cards'. Another callout points to the 'Jobs' dropdown in the top navigation bar. A third callout points to the 'View Jobs' section, which includes search filters for 'Search by Description' and 'Search by Location', a 'Create New' link, and a table of jobs. A fourth callout points to the 'Client contact details' and 'Assigned employee' columns in the table. A fifth callout points to the 'Edit | Details | Delete' links in the table. A sixth callout points to the 'View Jobs' section, which includes search filters for 'Search by Description' and 'Search by Location', a 'Create New' link, and a table of jobs. A seventh callout points to the 'Client contact details' and 'Assigned employee' columns in the table. An eighth callout points to the 'Edit | Details | Delete' links in the table.

JOB CARD

From here you can manage Jobs and Job Cards

The screenshot shows the 'Job Card List' page in the Onslaught Systems application. The page has a dark header with navigation links: Jobs, Assets and Employees, Admin, Other, and Logout Out. The main content area displays a table of job cards. A callout box on the left highlights the filter and search options, including 'Filter by Job Completed?' (Yes/No), 'Search by Description:', and 'Search by Location:'. A callout box on the right highlights the 'Edit | Delete' action links for each job card. A callout box at the bottom left highlights the 'Job Card List' title and the 'Download Job Card Report' link.
